Official Manufacturer's Certificate Kensington Windows® Vinyl Windows and Doors

The manufacturing operation of Kensington Windows, Inc. is located at 1136 Industrial Park Road, Vandergrift, PA 15690. Kensington Windows manufacturers custom vinyl replacement windows and patio doors that, when purchased with optional Low Emissivity glass (Low E) and an inert gas fill (argon, krypton or a blend of the two) in a double or triple glazed unit, meet or exceed the prescriptive criteria established by the IECC for all climate zones in which the windows or doors are installed. These also meet or exceed Energy Star® program requirements (as in effect at the time of manufacture).

In accordance with the Internal Revenue Notice 2006-26, and to certify the Kensington Windows, Inc. windows and patio doors for purposes of the tax credits available under section 25C of the Internal Revenue Code ("IRC"), Kensington Windows Inc. represents that the following window and door products, when purchased with the one of the optional glass packages (listed below), are "Eligible Building Envelope Component(s)" that qualify for the federal income tax credit allowed under Section 25C of the IRC:

All Kensington Windows, Inc window and door products when purchased with our FormulaA™ glass packages or any of our Heat Mirror® glass packages.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.

Chuck Wetmore
Vice President of Operations
Kensington Windows, Inc

This Certificate is intended to show that Kensington Windows, Inc window and door products are Eligible Building Envelope Components under the relevant IRC sections. Homeowners should consult their tax advisor to determine whether they qualify for any potential income tax credits.
